Natural Capital in the South West expo

Dear <<First Name>>

We're very pleased to extend an invitation for you to join us for a unique event.

Natural Capital in the South West is an online, expo-style conference where you can select from a range of themed sessions over three days.

Sessions focus on Natural Capital approaches for marine, land, coastal change and whole-catchment settings. We also have a session which will explore the importance of Natural Capital for a green recovery.

Keynote speakers include:

- **Tony Juniper** – writer, renowned environmentalist and Chair of **Natural England**
- **Luke Pollard** – Shadow Secretary of State for Environment, Food and Rural Affairs and Labour MP for **Plymouth, Sutton and Devonport**
- **Dieter Helm** – Professor of Economic Policy at the University of Oxford and Independent Chair of the **Natural Capital Committee**.
